

AUTUMN GARDEN FETE

SAT 17 APRIL, 2021

10 AM - 2 PM

**55 RIVER ROAD,
KELMSCOTT**

STALLHOLDER INFORMATION

Thank you for taking part in our Autumn Garden Fete! Your support is appreciated and we cannot wait to see you all on Saturday 17th April.

Below is some general information together with a mud map layout of the space. Please get in contact with us at kelmscottgarden@gmail.com if you have any further questions.

SET UP:

Your points of contact on the day will be Lauren & Jo. Please ask for one of us on arrival.

Access will be granted from 8.30am. Please be set ready to go for 9.30am.

We ask that you please come in and introduce yourselves and we will show your area. A team member will then let you pull your vehicle up into the childcare parking area where you will be able to unload and then park for the duration of the event.

SIGNAGE:

We ask that you please bring along your own business signage. There are plenty of places to hang these from for you and will have extra rope and cable ties on hand should you need them. Chalk is also available at the garden if you decide a blackboard is the way to go.

INFRASTRUCTURE:

Marquees, trestles and power will be provided only if pre arranged. Please let us know asap if you require any of the above.

If you are providing your own Marquee please ensure that you have weights or spikes. It can get windy so please be prepared.

COVID-19 :

QR scanning points will be made available throughout the garden with a manual list available by the door. We please ask that you bring along your own hand sanitiser for your stall area

TOILETS:

The Kelmscott Hall toilets will be available for stall holders to use throughout the day. A key will need to be obtained from Lauren or Jo. Toilets for general public are located across the oval in the amphitheatre.
